There will be a list of YouTube videos to get the basic dance steps. Then the week before the show when our Hawaiian cousins arrive, they will polish the steps you have learned and it will all be put together with live drumming.

As a dancer, of course, you will be given a Show Pass. Though the luau is a separate ticket for purchase. As further compensation for your time, you will receive (1) 90 minute Biofeedback session and a total of 3 hours of 30 or 60 minute massage sessions at 3R Biofeedback (221 S Main St., Harrodsburg, Ky 40330, 859-613-1231)

Hold Harmless Agreement

I, as a volunteer dancer for the Luau in old Harrod's Town hula show, hold harmless the organizer Tim White, staff and/or sponsors of said event as well as any/all staff and properties of the Fort Harrod State Park should I incur any injury derived from practicing and/or performing with the luau and hula show. I have volunteered to learn and perform any/all dances offered of my own free will and claim to be free of any health issues that could cause any physical problems during practice or the dance performance.
